

COVID-19: RENT RELIEF FOR COMMERCIAL TENANCIES.

Legislation for impacted landlords and tenants to implement the National Cabinet's mandatory code of conduct for COVID-19 has been passed in each state and territory.

WE CAN HELP.

RENT RELIEF NEGOTIATIONS.

If you are a **landlord**, we can assist with negotiations with your tenants. This includes: (a) advising you of the type of information you are permitted to request ([click here for our compendium](#)); (b) helping you review and consider information provided by tenants; and (c) negotiating and documenting revised rent relief terms.

If you are a **tenant**, we can assist you to compile the required information to support a carefully drafted proposal for rent relief that is in accordance with the relevant legislation.

DON'T FORGET TO FORMALISE.

Importantly, any agreements that landlords and tenants come to during this time should be documented in a deed of variation of lease.
